

INDU-TEK PERMIAN WR CHAIN SPRAY- HEAVY DUTY CHAIN SPRAY

A premium quality, highly adhesive, waterproof, anti-fling, wear resistant Chain Spray

DESCRIPTION

Indu-Tek Permian WR Chain Spray is a premium quality specially formulated chain lubricant for all chains, especially those under high load or in wet or aggressive environments.

Indu-Tek Permian WR Chain Spray is specially blended to give excellent adhesion to surfaces and is hydrophobic ensuring outstanding resistance to water wash off in saturated and aggressive applications.

Indu-Tek Permian WR Chain Spray has superb non drip and anti-fling characteristics making it ideal for heavily loaded slow moving chains or high speed chains where a “No-Fling” lubricant is required.

APPLICATIONS

Suitable for all types of chains, conveyor systems, especially saturated chains, water & utility sector applications, steel industry, and fresh & saltwater applications. It is also ideal for motorcycle, fork-truck chains and low to medium load open gears & wire ropes.

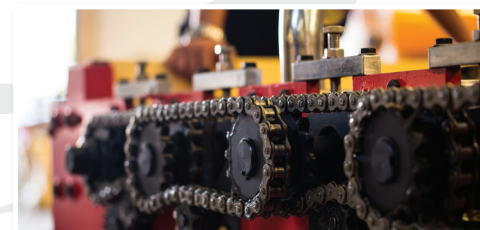

FEATURES AND BENEFITS

- Highly refined long-life base oil extends working life of the lubricant
- Penetrates to the heart of the chain pin to give optimum performance
- Excellent Adhesion – will not fling or wash off reducing lubricant usage
- Removes moisture and water protecting components from corroding
- Wide temperature range -10°C to +160°C
- Easy to use Handy Aerosol Spray

Indu-Tek Permian WR Chain Spray comes fitted with the unique “Smart Straw” two way permanently attached spray nozzle. Chain Lube Plus is available in standard 400ml aerosol sprays.

SMART STRAW – 2 Way Spray System
Permanently attached Straw
