

INDU-TEK MULTI-LUBE TF SPRAY – THE ULTIMATE TOOL BOX SPRAY!

A superior, multi-purpose, extremely versatile aerosol light lubricating spray fortified with submicron PTFE.

DESCRIPTION

Indu-tek Multi-Lube TF is a premium quality extremely versatile lubricant fortified with a stable suspension of PTFE (commonly known as Teflon) to give superior friction reduction and load carrying capability. It is designed for penetrating chains and threads as well as a general workshop spray that will lubricate, protect and clean components.

Indu-tek Multi-Lube TF has anti-corrosion and anti-oxidation additives and a solvent carrier, when evaporated, leaves behind a durable lubricating film that protects against corrosion and reduces wear and friction.

APPLICATIONS

Indu-tek Multi-Lube TF is a truly universal maintenance spray and often replaces many other workshop sprays. Typical applications include chains, bearings, sliding surfaces, open lubrication points on machinery, wire ropes, locks, hinges etc. It is ideal as a general maintenance product to clean, protect, displace water, and lubricate surfaces and components. Genuinely the applications are too numerous to list.

Indu-tek Multi-Lube TF is also suitable as a medium-term coating to protect against corrosion, wear and friction.

FEATURES AND BENEFITS

- Highly refined longlife base oil extends working life of lubricant
- Excellent penetrating properties frees corroded nuts, bolts and threads
- Contains sub-micron PTFE for friction reduction
- Truly multi-functional – will replace many workshop products
- Thin film coating protects against fretting corrosion, wear and squeaks
- Removes water & moisture preventing components from corroding
- Wide temperature range -40°C to +170°C

Indu-tek Multi-Lube TF comes fitted with the unique “Smart Straw” two way permanently attached spray nozzle. Multi-Lube is available in standard 400ml aerosol sprays or “Handy” 200ml aerosol sprays.

SMART STRAW – 2 Way Spray System
Permanently attached Straw

Pack size	Product Code
400ml	ML-61501
200ml	ML-62501
