

## FOOD-TEK HOT CHAIN LS25

### Food Grade High Temperature Chain Oil

Food-Tek Hot Chain LS25 is a fully synthetic oil with extremely good thermal stability even when operating at “Chain” temperatures of 200°C to 300°C. Oven temperatures can be higher.

Food-Tek Hot Chan LS25 is premium specialist chain oil with superior lubricity properties, is fully synthetic therefore extending lubrication, service intervals.

Food-Tek Hot Chan LS25 is a stable synthetic chain oil designed for operating at high temperatures, contains antioxidants, EP & Anti-Wear additives and corrosion inhibitors for improved performance. This product is specifically formulated with a low smoking additive package making it ideal for use on extremely hot live flame oven chains. This lubricant does not contain solid additives.

#### APPLICATIONS

High Temperature Bakery & Food Production Chains, Overhead Conveyors, Textile Chains – Stentors etc. Stove & Dryer Chains, Continuous Particle Board Press Chains, and most Chains operating at elevated temperatures.

#### FEATURES AND BENEFITS

- Food Grade Top Tier Synthetic Ester formulation
- Formulated with a specific “Low Smoke” additive package
- Designed to provide superior high temperature performance, thus can be used on chains that may reach constant temperatures of 300°C
- Excellent resistance to oxidation and prevents formation of lacquer residues at elevated temperatures
- High flash point (>300°C), low pour point (<-25°C).
- Suitable for use on overhead conveyors including paint plants – no silicone
- NSF H1 Registered

PROPERTIES	VALUES
Appearance	Yellow/ orange
Base Oil	Synthetic Ester
Viscosity @ 40°C	249 cSt
Viscosity @ 100°C	20.5 cSt
Temp Range:	-25°C to + 300°C
Flash Point	>300°C
Specific Gravity	0.97

#### Availability

#### METHOD OF APPLICATION

Food-Tek Hot Chan LS25 can be applied manually by brush or with oil can. It can also be applied automatically by spray or drip feed as per the equipment manufacturers’ instructions.

Food-Tek Hot Chan LS25 is NSF H1 registered. The product contains no Allergens, Genetically Modified Ingredients, and does not contain Nut Oil or Nut Oil Derivatives.
