

Technical Data Sheet

FREEZE FREE – Aerosol

“Freeze Your Nuts Off !”

Freeze Free – Instantly Freezes seized & rusted bolts, nuts, studs down to -45°C. Releases seized parts through rapid freezing causing microscopic cracks in the layer of rust allowing the penetrating oil to wick directly into the rust by capillary action.

Applications: -

Ideal for use on nuts, bolts, locks etc. Suitable for fasteners, mechanical assemblies seized by dirt or corrosion.

Features and Benefits: -

- Freeze Free is a specialist dismantling spray that rapidly freezes components
- Easy to use – no hammer, long pipe, torch is required
- Quality penetrating oil lubricates part & protects against corrosion
- Non-Flammable & Non-Toxic – Does not contain LPG, Butane/ Propane
- Will not soften metal like heating, eliminates risk of stripper threads.
- Use to Shrink Fit metal assemblies
- Freezes water in small bore pipes enabling repair without draining

Method of Application: -

Shake can thoroughly before use. Spray Freeze Free onto components to be disassembled for approx. 5-10 seconds. Wait a few minutes to allow time to penetrate prior to unscrewing.

Part Number: ML-61007 - 400ml Aerosol
